## **September Walk – Ian Howard**

19 people met at Pavenham Park Golf Club for the September walk on a bright and sunny morning. We set off down the drive towards the entrance and then turned right along Pavenham Road, after about a quarter of a mile we turned off right on to a footpath that took us between the backs of the houses on The Bury estate and the practice ground of the golf club. At the end of this section of the footpath we came out into The Bury estate and picked it up again going between some bungalows and into the churchyard of St. Peter's church, leaving the churchyard we turned left down Church Lane until we reached a public footpath sign where we turned right and crossed a field coming out behind the houses in Pavenham High Street. Continuing along the footpath and crossing a stile, we then crossed diagonally into the corner of the field which led out onto another footpath that passed behind some farm buildings. After passing through two kissing gates and along a narrow section between hedges we turned right to start heading back towards Church Lane, when reaching the road we turned right for a short distance before turning left into the golf course. Following the public footpath across the golf course to the bottom corner we stopped for a group photo before turning right along the edge of the course and out by a gate into Pavenham Park past the tennis court and back onto the Pavenham Road, turning right and then right again back up the drive to the club house for a well earned drink and lunch.
